

Amazing Puffins

- Work with a partner. Your challenge is to design a fun fact sheet about puffins.
- With your partner discuss what you already know about puffins.
- What other things would you like to find out? Discuss with your partner.

- Use the internet and books to find the answers to your questions and other interesting information.

Some good sites:

www.audubon.org/bird/puffin

www.kids.nationalgeographic.com/Animals/CreatureFeature/Atlanticpuffin

- Using your own words note down three or four interesting facts that you have discovered about puffins.
- Use this information to design your fact sheet. As well as being interesting your fact sheet should be colourful and easy to read.
