

## Create a new logo for the Alderney Wildlife Trust!

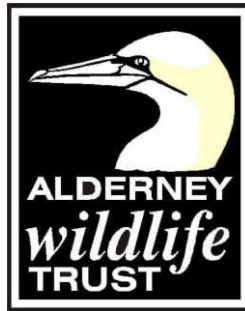

Imagine you are the chief designer for the Alderney Wildlife Trust's brand new logo! The new branding will be featured everywhere from the website, uniform and even on our vehicles!

You can either create a new logo for the trust or one for LIVE: Teaching through Nature.

Remember:

- The logos have to be simple but eye-catching
- Must have either "Alderney Wildlife Trust" or "LIVE: Teaching Through Nature" on them
- Must feature an image relating to Alderney and its wildlife e.g. Puffin or Gannet
- Think outside the box! Maybe use an animal that hasn't already been featured in our logos but is important to the island.
- Who will see the logo? They need to know what we do just by looking!

Current Logos:

For some ideas see the examples below:
